standing personal service. This ship is as enchanting as the destinations you'll visit. The sensory heaven of the luxurious Aqua Spa and the gracious ambience and Five-Star service of Michaels Club and the Manhattan Restaurant all aboard the Mercury. Adventures abound off the ship as well. Including stops in

Huatulco, Acapulco, Cabo San Lucas in Mexico. We will visit the coffee estates and Rain Forests of Costa Rica. Another highlight is historic Cartagena and its famed forts, cathedrals and emerald markets. These are just a few of the highlights that we'll visit along the way. The best part is that you only un-pack once!

...We can't forget to mention our final destination of Panama. Most impressive of all is the Panama Canal. You'll enter at sea level and then your ship is lifted 85 feet through the locks before journeying through the Gaillard Cut and entering the emerald—green expanse of Gatun Lake, then traversing three more locks to enter the Caribbean Sea. You'll enjoy lots of time at sea to soak up the sun and relax.

Join us as we embark upon this exciting, classic 5-Star East Africa Safari trip to Kenya. No expense has been spared to create this once-in-a-lifetime tour. Our accommodations range from 5-star hotels to luxury tented camps, complete with private bath facilities. Safari is an experience everyone should get a chance to do. Every detail has been arranged to perfection. Until you have slept under African skies and listened to the lions roar, your imagination is never quite enough. So, let us share with you this safari of a lifetime...a Kenya Wing Safari.

We will begin our trip with a flight through Europe landing in Nairobi, Kenya. Here we will meet our safari director and get to know our fellow travelers. The next night we will stay at the Mountain Lodge located on the slopes of Mount Kenya. With a great chance to begin to see some of the most amazing wildlife you've ever seen. We will then travel to

the line of the Equator crossing the Southern and Northern Hemisphere, a chance of a lifetime. Onto the Mt. Kenya Safari Club, where 5-Star is given a new meaning. This pristine exclusive resort is your home for the night. Here we will enjoy tea served at the Zebra bar or we can visit the animal orphanage. Next we will venture onto the Samburu Serena Lodge where we might just see a spotted Leopard! In the morning we will travel through the bush of Samburu and have a great opportunity for photographs of the wildlife in its natural habitat. We will visit a Samburu village for a life changing experience with some of the most extraordinary people you'll ever meet! Next we will take a short flight from Great Rift Valley and

onto the unspoiled savannah of the Maasai Mara. This is the land of the Maasai, a cattle-herding people who still remain proudly aloof from western civilization. We arrive at the private airstrip of the Mara Safari Club, our luxury tented camp for the next two nights. Our rooms all overlook a watering hole where your sure to see a hippo from your wooden deck. Next we will head back to Nairobi and begin our adventure back home. I can honestly tell you, having traveled here myself, words can not describe how breathtaking this Country is. Traveling to Kenya was something I never thought I would do. Now I know I would travel there a hundred times again because it is amazing. I felt completely safe and mesmerized by what surrounded me each and every morning I woke up. Please join me so I can share this experience with you!
