

Want to power your home with clean and affordable solar energy?

Mascoma Bank can help.

We're here to provide you with the financing to make that switch.

Our Solar Loan Features

- Loans up to \$60,000 with interest-only payments for the first year.
- Depending on the loan term, interest rates will range from 4.99% to 6.99%. Terms of 10, 15, or 20 years are available with interest-only payments for the first 12 months.
- Loan decisions made within 24 hours and distribution of funds often within 48 hours.
- Energy efficiency improvements completed during solar installation and listed on the sales contract can be consolidated in your solar loan.
- Payment amounts are subject to change after initial 12 months based on tax credits or other funds applied to principal. Example: A \$20,000 loan at 6.044% APR would result in 12 initial interest-only payments of \$68.83. With no funds applied to principal reduction during initial 12 months interest only period. Example: A \$20,000 loan at 6.044% APR would result in the remaining 168 principal and interest payments of \$176.14.

Our Solar Loan Requirements

- Residence must be located in Vermont or New Hampshire
- Signed solar purchase and sales contract
- You must meet standard underwriting guidelines
- You are the owner of the residence
- Loans are for primary residences, second homes, or 1-4 family investment properties only
