

Set up transfers on Mascoma Bank Digital Banking

- 1 Visit MascomaBank.com and click the green [Login](#) button at the top of your screen.

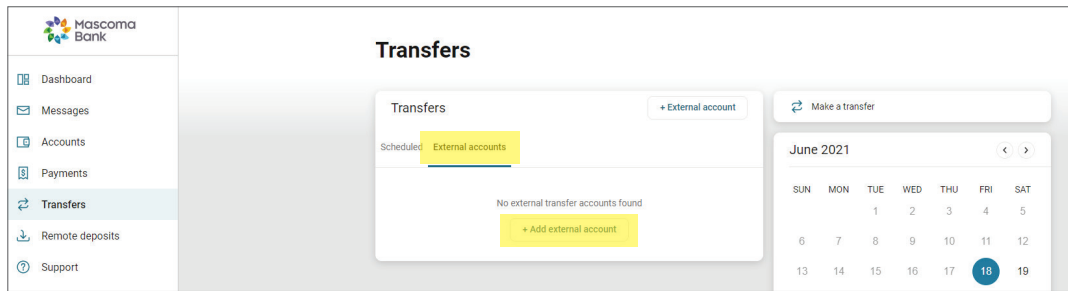

- 2 From the dashboard, select "Transfers" from the menu.

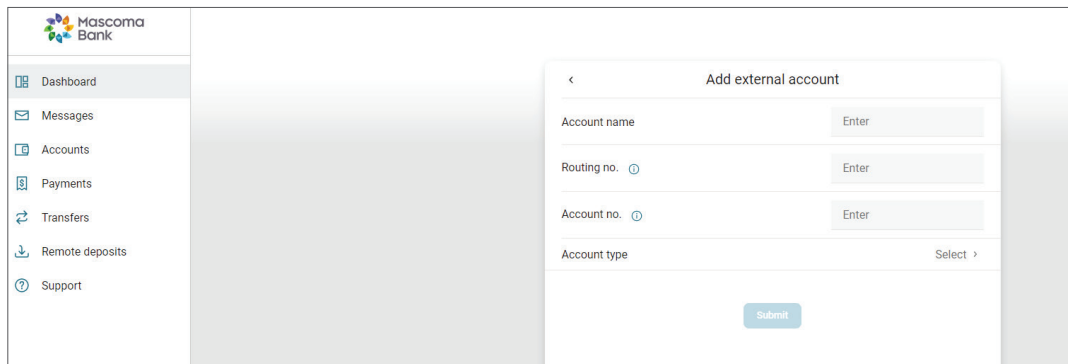

3

Select the "External accounts" tab and click the "+Add external account" button.

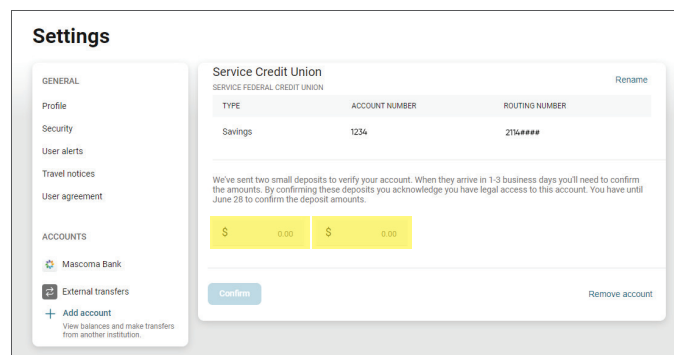

4

Enter the account information and click "Submit." You will be prompted to confirm your password to continue. To verify the account, you will receive two small deposits within 1–3 business days.

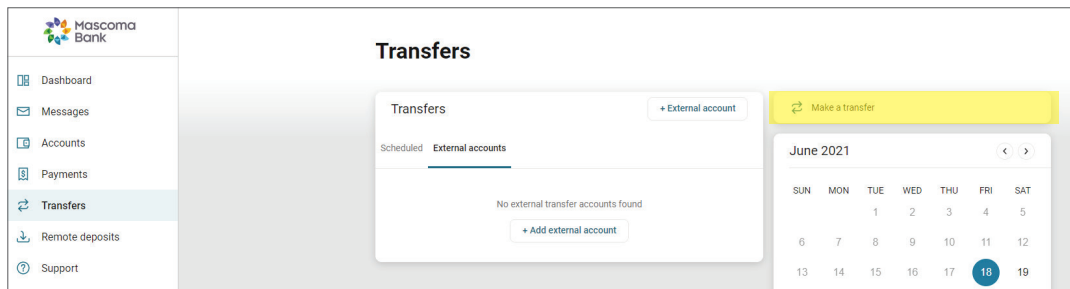

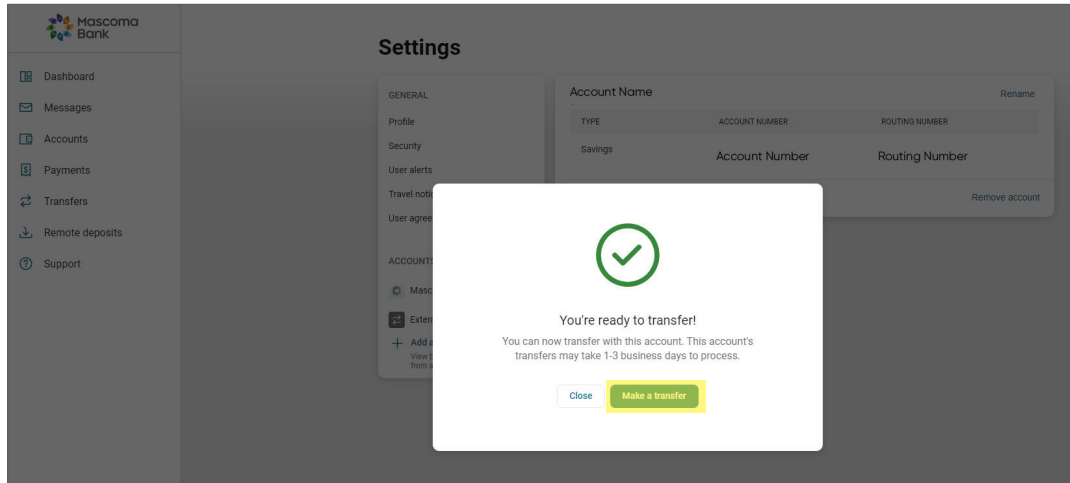

5

After you've received the deposits, log in to your account, click the arrow beside your name in the lower left corner of your screen and select "Settings." Enter the deposit amounts and click "Confirm."

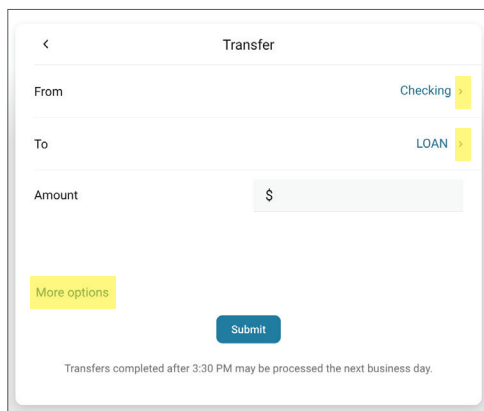

6

Once confirmed, you can make a transfer by clicking the "Make a transfer" button in the pop up window or by selecting "Transfers" in the menu and clicking "Make a transfer" in the upper right section of your screen.

7

Confirm your transfer details:

- Select which accounts to transfer "From" and "To" by clicking the arrow to the right of the account names.
- Enter the transfer amount.
- Click "Submit."
- To set up recurring transfers, click "More options."
