

Want to power your home with clean and affordable solar energy?

Mascoma Bank can help.

We're here to provide you with the financing to make that switch.

Our Solar Loan Features

- Loans up to \$60,000 with interest-only payments for the first year.
- Interest rate varies with term and multiple loan terms available.
- Loan decisions made within 24 hours and distribution of funds often within 48 hours.
- Energy efficiency improvements completed during solar installation and listed on the sales contract can be consolidated in your solar loan.
- Payment amounts are subject to change after initial 12 months based on tax credits or other funds applied to principal.

Our Solar Loan Requirements

- Residence must be located in Vermont or New Hampshire
- Signed solar purchase and sales contract
- You must meet standard underwriting guidelines
- You are the owner of the residence
- Loans are for primary residences, second homes, or 1-4 family investment properties only
- Tax credits are not required to be applied to the loan

Apply online at [MascomaBank.com](https://www.mascomabank.com), contact your local branch, or email us at ConsumerLoans@mascomabank.com.

Subject to credit approval. Maximum loan amount may vary based on credit score.

All terms and rates are subject to change without notice.

V.H. Energy is a Vermont-based developer, manufacturer, and installer of solar systems. Mascoma Bank is not affiliated with V.H. Energy and is not guaranteeing any business with them.
